# EXHIBITOR SAMPLING GUIDELINES

The practice of exhibitors bringing in their own food or beverage is in direct conflict with the OVG Hospitality exclusive contract at the Atlantic City Convention Center. Therefore, it is our policy that any exhibitor who is providing ANY food or non-alcoholic beverage items is required to notify OVG Hospitality in writing as to the nature of the proposed product giveaway (fees are applicable unless waived by OVG Hospitality or purchased through OVG Hospitality).

Sampling of food or non-alcoholic beverages will not be allowed if the item being dispensed is unrelated to the exhibitor's business. For example, this applies to companies or organizations that do not produce or sell these items in their regular operations.

OVG Hospitality and the Atlantic City Convention Center mandate that all food and non-alcoholic beverages must be served in sample sizes: 2oz portions for food and 4oz cups for non-alcoholic drinks. Additionally, written approval from OVG Hospitality must be secured at least 30 working days before the show opens.

If your sample requires you to cook on the show floor the following are approved cooking apparatus: George Foreman Grills, Panini Grills, Induction Cookers, Butane Stoves, Toaster Ovens, Sauté Pans (not using grease or oils), Pressure Cookers, and Deep Fryers with built-in suppression Systems and NJ State Fire Inspector Approval.

**NOT APPROVED: ELECTRIC GRILLS OR ANY ITEMS CREATING GREASE LADEN VAPORS.**

## INSURANCE REQUIREMENTS

General Certificate Liability Insurance for \$2,000,000 each occurrence and \$2,000,000 aggregate. Certificate must name as additional insured OVG Hospitality and Atlantic City Convention Center on a primary/noncontributory basis.

Any exhibitor providing samples of food and non-alcoholic beverage must operate within the local Health Department Guidelines.

All food preparation booths must be free of any combustible materials and equipped with at least one (1) 20 BC rated fire extinguisher. If you're using open flame units, a fire permit will be necessary. For further information, please consult your Event Manager.

Any Exhibitor requesting to give away samples of alcoholic beverages must obtain a special event liquor license from the Liquor Control Board for the State of New Jersey. (Fees are applicable unless waived by OVG Hospitality or purchased through OVG Hospitality). Samples dispensed are limited to those products that are manufactured, processed or distributed by the entity requesting permission. Please refer to the Exhibitors Agreement for further specifications. You must hire an OVG Hospitality union bartender to serve alcoholic beverages. Bartender fee is \$250.00 four hour minimum, \$35.00 for each additional hour. Samples are limited to 1oz of beer or wine, .5oz of spirituous liquors.

Alcoholic Samples are strictly for individuals aged 21 and older. Each booth must display a prominent sign that reads: *Guests must be 21 years of age to participate in the sampling of alcoholic beverages. A picture I.D. is required.*
